

**Instructions short report RMA students**

RMA students may receive 1 EC by attending the full conference day and handing in a short report within two weeks after the conference. The report should be 2.000-3.000 words long and can be handed in as a Word or PDF file via [huizinga@uu.nl](mailto:huizinga@uu.nl). The report may be written in either Dutch or English.

The report should include at least:

1. A cover sheet with your name, student number, university, RMA programme.
2. A short instruction on the symposium and your own role in it.
3. A substantive discussion of all presentations, in which you discuss your own reflection, the remarks of the referent and possible questions from the audience. Include at least two secondary sources (articles, books) in your discussion.
4. A conclusion: what have you learned from the conference?
